Service Level Agreement for Referrals to 3D Dent

By referring a patient to 3D Dent, you are accepting our Service Level Agreement below.

This agreement is between:

The referring dentist named on the referral form; and

Dr Zoryslava Taylor (GDC 209523) t/a 3D Dent, 88 Towngate, Leyland, PR25 2LR.

Referral Criteria

The documents to be used as the basis for the referral of patients and the justification and authorisation of dental x-ray and CBCT examinations are:

- Guidance on the Safe Use of Dental Cone Beam CT (Computed Tomography) Equipment, Prepared by the HPA Working Party on Dental Cone Beam CT Equipment. Health Protection Agency, HPA-CRCE-010, 2010.
- Selection Criteria for Dental Radiography. Faculty of General Dental Practice (UK), 3rd Edition, updated 2018.

Authorised Referrers

Persons who refer patients for CBCT scanning under this agreement must be GDC-registered dental practitioners who have completed additional CBCT training to at least Level 1. They must provide evidence of this training to 3D Dent on request.

Persons who refer patients for an OPG under this agreement must be GDC-registered dental practitioners with appropriate training in radiography.

By entering this agreement with 3D Dent, you are confirming:

- That you will refer in accordance with the Referral Criteria documents above.
- That you have completed CBCT training (for CBCT referrals) as set out under Authorised Referrers above, and will provide evidence of this on request.
- That you will provide full and accurate information on the referral form about the clinical justification for the scan.
- That you have explained the reasons for the scan to the patient and obtained their consent for the procedure, and to share their personal data for this purpose. All data will be handled in accordance with GDPR and our privacy policy.

Please indicate that you have read and accepted this agreement by ticking the box on the referral form.
